<Meeting Notes>

4 major tab:

1. Home Page
 - a. Brief introduction of what bento is
 - b. Japanese calligraphy saying bento – (let me know if you need help with this!)
2. History (including culture and etymology)
 - a. You can start with etymology
 - b. Forget about scholarships
3. Types of bentos
 - a. By ingredients
 - b. By style / container
 - c. By Where they are sold
 - d. Bento related-slangs
 - i. These four categorizations can be in a long single page
 - ii. Only *Kyaraben* and *Ekiben* can be in a sub page
 - iii. Will be great if they are explained along with photos but i know that's difficult so another idea is that you can just put photos in the photo gallery and link the word to the related photo!
4. Photo Gallery
 - a. Photos of different types of bentos
